

# Two Day Paediatric Course

## Description

This course has been developed for people who are working with children and babies. It is ideal for individuals who are responsible for children and/or babies, who wish to gain knowledge of emergency procedures and attain a recognised qualification in First Aid. This course satisfies the guidelines and criteria as laid down by the Early Years Foundation Stage (EYFS) and OFSTED.

## Duration

A twelve hour course over two days consisting of theory and practical work.

## Syllabus

Responsibilities and reporting  
Dealing with an unresponsive casualty  
Resuscitation  
Head injuries  
Assessment of the situation  
Eye injuries  
Choking  
Control of bleeding and shock  
Bites and stings  
Infantile convulsions  
Sickle cell anaemia
